

Brainstorming and Idea Prioritization

Date	July7, 2026
Name	Khushboo Meena
Project Name	CaptionAI: AI-Powered Social Media Caption Generator

Step1: Brainstorm and idea Listing

I listed as many ideas as possible without evaluating them at this stage. The ideas are presented in the table below.

S.No	Name	Idea / Suggestion	Category	Group No.
1	Khushboo Meena	Develop an AI-powered social media caption generator for creating engaging captions.	AI Content Generation	G-1
2	Khushboo Meena	Add AI-generated hashtags and call-to-action (CTA) suggestions to increase post engagement.	Content Enhancement	G-2
3	Khushboo Meena	Provide platform-specific captions with multiple tone options (Professional, Casual, Friendly, etc.).	User Experience	G-3

Step2: Idea Prioritization

I evaluated each idea based on its feasibility and importance. Based on this evaluation, I selected the final idea for further development.

Group No.	Final Idea	Feasibility	Importance	Priority	Selected (Yes/No)
G-1	AI-Powered Social Media Caption Generator	High	High	1	Yes
G-2	AI-Generated Hashtags and CTA Suggestions	High	High	2	No
G-3	Platform-Specific Captions with Tone Options	High	High	3	No
